Re: U.S. National Phase Patent Application
 Serial No. 08/765,837
 PCT/BE95/00063
 Our Docket No. VANMA48.001APC

Dear Ms. Kratz:

Pursuant to our previous conversations, I faxed you the attached Petition and four sheets of corrected drawings. You have indicated that faxing the drawings was not sufficient, therefore, we enclose a copy of all that was faxed to you on August 26, 1999. If you need anything else, or have any questions, please call me.

Yours very truly,

Daniel E. Altman

PETITION UNDER 37 C.F.R. § 1.182

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicants have recently been notified that the International Application number provided on the Transmittal Letter accompanying the initial documentation submitted for entry 09/08/1999 WCLAYBRO 00000038 111410 08765837 into the U.S. national phase was incorrect. The correct International Application number, 01 FC:122 130.00 CH 02 FC:156 130.00 CH PCT/BE95/00068, was supplied in all other documentation submitted in connection with this application. Applicants hereby petition the Patent and Trademark Office to correct the International Application number in the Transmittal Letter and all other Patent and Trademark Office records. Please charge the petition fee of \$130, and any other required fees to Deposit Account No. 11-1410.

Applicants also received a Communication from the Examiner mailed December 7, 1998 indicating that an incomplete translation of the International Application was submitted. Applicants have learned that the French word "valeur" appeared in each of Figures 2-5. Accordingly, Applicants herewith submit corrected Figures 2-5 in which the phrase "valeur"

surface" has been translated as "surface value." Acceptance of the corrected figures and return of the application to the Examiner for further examination is respectfully requested. Should there be any questions concerning this application, please contact the undersigned attorney at the telephone number appearing below.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
